Genealogical Journal, Publication and Membership Order Form

Prices are effective on all orders 1/1/2017 – 12/31/2017 Orders must be postmarked before 1/1/2018 - visit website for latest order form

Compute back issue orders on this page. **Reprints of 1978 & 1979 issues are \$7 each, issues published between 1979 and 2014 are \$5 each.** Place a ✓ by each issue you want and place the total number of issues for any given year in the appropriate column by that year. Compute total number of issues purchased and multiply by the appropriate dollar amount to get subtotal for pre-2015 issues. Place resulting figure on **LINE A or LINE B**, as appropriate. Issues published in 2015 or 2016 can be purchased by the year, for the cost of a regular subscription during that year, or at a slightly higher rate for individual issues. Check issues desired and place these post-2014 costs in the subtotal column by the appropriate year (2015 and/or 2016). Add the total cost of the post 2014 issues and enter on **LINE C**. Postage is \$3.00 for the first issue purchased and an additional \$0.25 for each additional issue. (Ex. If you purchase 4 issues, your postage is \$3.00 for the first issue and .25 for the additional three issues for a total of \$3.75 postage). Enter total back issue postage on **LINE D**. Add A, B, & C and you get back issue cost (before tax). Enter in **CELL E1**. Bring down shipping costs from **LINE D** and place in **CELL E2**. Other publications totals and tax computed on page 2.
